Recorded in Prague with the Czech Symphony Orchestra.

The CDs in these packs contain two versions of each selection: one with a singer, and one with orchestra accompaniment only. All books in the series contain historical and plot notes about each opera, operetta or show, and piano/vocal reductions of the music. The singers heard on these recordings are top professionals from Covent Garden, English National Opera, and other main stages.

**ARIAS FROM NINETEENTH-CENTURY OPERA  
(ARIE DEL MELODRAMA ITALIANO)**

An excellent new scholarly series from Ricordi, featuring recent historical scholarship, with historical information about each opera, plot notes, a translation for study, and an interesting preface on the topic. The compilations go far beyond the literature normally found in collections. Some of the arias are famous, some are gems by master composers awaiting discovery. Ricordi.

## Book/CD Packs

This landmark series of book/CD packs from Ricordi offers voice and piano editions of the world's most famous arias plus a companion CD featuring two versions of each aria: one with a 130-piece orchestra providing accompaniments for practice, and another with full performances sung by an established artist for reference. Each volume contains the lyrics of each aria, plus a short plot summary and background information on the orchestra and the performers.
